

# If you needed pest control here tomorrow

## you'd call: 0203 859 9588

At Fortis Property Services, you can rely on our pest control team to locate, eradicate, and control pests effectively, discreetly and professionally. We cover all pests from insects, rodents, birds and large animals. Friendly, experienced and qualified pest control technicians trained to BPCA standards. We use environmentally-friendly solutions to ensure the safety of your property and the surrounding areas. With our fast response times and tailored services, we guarantee peace of mind for your home or business.

Effective pest control is necessary for several important reasons. Rodents, insects, and birds can carry and transmit diseases to humans and pets, diseases like leptospirosis, salmonella, hantavirus, west Nile virus. Pests can cause significant damage to buildings, furniture, and belongings, as well as impact agriculture by damaging crops and stored food products. Effective pest control also helps maintain a clean and hygienic environment, reducing the risk of contamination. By managing pest populations, property owners can avoid costly repairs and loss of assets. Furthermore, proactive pest control measures can prevent infestations, saving time and resources. Simply contact us today to request a quotation.
