

# If you needed expert graffiti removal urgently here tomorrow

## you'd call: 0203 859 9588

At Fortis Property Services, we remove graffiti quickly and professionally for housing associations, local authorities, block management teams, retailers, contractors and commercial agents. Stair cores, bin stores, shutters, car parks, hoarding lines and site perimeters, we restore surfaces back to a clean, controlled standard using the right method for the material. We also provide responsive call outs and scheduled maintenance programmes to help you stay ahead of repeat tagging and protect the appearance of your assets.

Graffiti is not just visual nuisance. Left in place it signals neglect, attracts repeat marking and increases complaints. Yes, Banksy proved graffiti can be cultural. But what property teams deal with day-to-day is almost always tagging, abuse and repeat vandalism that makes an area feel unmanaged. Fast removal protects reputation, reduces escalation and helps keep the environment stable. Simply **contact us** today to request a quotation.
