

If you needed cleaning & environmental services here tomorrow

you'd call: 0203 859 9588

At Fortis Property Services, we provide planned and reactive cleaning and environmental services for housing associations, local authorities, block management teams and commercial agents. This is the work that stabilises buildings and estates: communal cleaning, deep cleans, bin store cleansing, odour control, jet washing, incident cleans, disinfection support and environmental reinstatement after mess, neglect or antisocial behaviour. Delivered with clear reporting, fast response and consistent standards.

Environmental issues escalate when they're allowed to settle. Overflow, fouling, dumped waste and neglected entrances trigger repeat behaviour and higher costs. We restore order quickly, apply the right controls, and provide reporting where clients need evidence and accountability. Simply **contact us** today to request a quotation.

For our full range of services and further details simply call or visit our website www.fortispropertyservices.co.uk

We'll be there when you need us.
